sneak peak!

Talk about 2 sticky penguins. These 2 penguins seem to be in one sticky situation. I wonder what happened? It seems to me that goo may of been splashed all around Club Penguin, causing a sticky hazard to the land of Club Penguin. What do you think happened?

24
09
2008

I edited the picture to make the penguins have green goo sticking to them.

I also predict that this could be caused from sticky bubble gum.
